Effective 9/1/08- US/NC Swimming Registration Fee: \$100.00/per child annually.

This US/NC Swim Registration Fee is required before participating in a swim meet due to the requirements of US Swimming. This fee covers yearly registration and insurance at all sanctioned swim meets and practice. The charge is \$100.00 per child annually and a copy of the child's birth certificate must accompany this, although NOMAD keeps birth certificates previously received on file as well as NC Swimming. Once the birth date is proven and the swimmer is registered, you may swim any where in the United States with a transfer.

\*\* We will not pro-rate the monthly fee above.
